

## New Recycling and Refuse Program

As stated in the September newsletter, the Village of Barrington is pleased to announce the incorporation of refuse and recycling carts to the residents of Barrington. Groot Recycling and Waste Services delivered the refuse and recycling carts at the end of September 2004, and will continue to collect an unlimited volume of garbage, and recycling on your current day of collection (Friday). The carts are on wheels, which makes it easy to roll to the curb; and the lids on the carts will help reduce blowing litter on collection day. The new carts will help reduce injuries to the collectors because the carts can be connected to the lifts on the garbage trucks and dumped automatically. This also increases the amount the cart can hold, from 45 lbs to 200 lbs. Each household will now have three (3) containers: 1 – 65 gallon recycling container; 1 – 95 gallon garbage container; and 1 – 95 gallon

'Green Monster', which should be used for yard waste ONLY. For more information, please go to the Village website at [www.barrington-il.gov](http://www.barrington-il.gov), or call Public Works at 847/381-7903.

## 22nd Annual Barrington Area Crop Walk

Sunday, October 17  
Begins & Ends at BMS Station Campus  
Registration 12:30 p.m., Step-off 1:00 p.m.

When you watch the news of people struck with disaster and wish you could help, CROP WALKers and their sponsors can feel the satisfaction of being there. They have helped. Last year, over \$55,000 was raised. Of that, almost \$14,000 was given to six local food agencies: Northern Illinois Food Bank, CWU Barrington Food Pantry, Wauconda-Island Lake Food Pantry, Barrington Meals with Wheels, PIN

Project of the Barrington Ministerial Association and FISH Food Pantry-Carpentersville. Church World Services CROP has been there in your name and with your monies during times of disaster in the U.S. and around the world. CROP also works quietly helping people feed themselves to eliminate hunger through education and improved skills in food production. So, how can you help? Call one of the co-chairs from Lutheran Church of the Atonement: Mary Anderson, 847/381-9213, or Konrad Bald, 847/382-6523 or any participating church in Barrington and Wauconda.
